3:00 Review and BACK HOME to DEBATE!

We are very excited to be back in person at Simpson College for the Debate Clinic. This event will be held in-person at Simpson College. Students and Coaches both are encouraged to register for the event. What a great opportunity for you as new debaters and coaches to work 1:1 with someone to help you find your way in this exciting activity. We thank Spencer Waugh and his staff and students at Simpson College in making this a most positive way to start someone in Debate.

This clinic is for those who are new to debate activities or for those who are in need of a “refresh.” EVERYONE is welcome to attend. Coaches, students and even judges are welcome to register for this event. Please pass this on to your students!!!
