We are very excited about this newer venture in this Clinic. For the first time ever this event will be held in the virtual format. Below is the link to register for the event. Students and Coaches both are encouraged to register for the event. Perhaps you could bring all of your Debate students together and view the event at school using social distancing or watch it each at your own environments. The choice is yours this year. What a great opportunity for you as new debaters or coaches to actually work with someone to help you find your way in this exciting activity. We thank Spencer Waugh and his staff and students at Simpson College in making this a most positive way to start someone in Debate.

THIS CLINIC IS FOR THOSE WHO HAVE NEVER DONE DEBATE ACTIVITIES OR THOSE WHO ARE JUST STARTING... EVERYONE IS WELCOMED.

Coaches, students and even judges are welcome to register for this webinar. Please pass this on to your students!!!
