

BUILDING CONNECTIONS THROUGH THE PERFORMING ARTS

My main points for my workshop - Building Connections Through the Performing Arts:

1. Have a pain point you want to solve (put the focus on end game to move forward)
2. Have a plan
3. Have creative partners (both content and financial)

Great discussions during this workshop and insights with what others want to do and are doing.

Feel free to invite your network to my upcoming webinar: Speak Your Signature Story: <https://www.eventbrite.com/e/speak-your-signature-story-tickets-181460231437?aff=efbeventix>
