

## **Family Week reminder**

The Iowa High School Speech Association, Iowa High School Music Association, Iowa High School Athletic Association and the Iowa Girls High School Athletic Union, in response to recommendations from input from our "Ad Hoc Committee", have implemented a "Family Week" on the Unified Activities Federation Calendar. "Family Week" is a week in the unified activity federation calendar that prohibits any coach or teacher/student contact and any unified activity federation event from occurring. That period will include Sunday through Sunday of week 3 and Week 4 of the calendar and will begin **July 25, 2021 through August 1, 2021**. The Iowa High School Speech Association supports "Family Week" and therefore there can be no speech, theatre, debate activities within the IHSSA member schools during that week. All high school students, including incoming 9<sup>th</sup> graders, are covered under the rule and are not to have contact (on or off school premises) with teachers nor use school facilities during the eight day period.
