IHSSA Novice Coaches Session 2018

Vince Hrasky, Tri-County

1. **IHSSA Registration** - Get your paperwork done before school starts and you're going to need to know how to do a PO!
2. **Transportation** - Submit transportation requests early...even if you don't know what you need!
3. **Leave Requests** - Ask for Coaches Convention & Indy All-State ASAP!
4. **Meet With AD** - Hopefully the "A" stands for "Activities!"
5. **Recruiting** - Go get that kid, but not that kid...and don't make them do it!
6. **Meetings** - My program is great and here are my expectations!
7. **Try Outs** - You'll see the talent, but make sure to check the schedule.
8. **When To Start** - Is late August too early?
