Preparing your team for Contest

Contest etiquette--talk to parents and students about:

- staying quiet at the contest
- not wearing anything affiliated with your school
- arriving 15-20 minutes or more before a performance
- Supporting the host school (entry donation and lunch)
- contest day apparel and behavior

Performance night with guest judge?

Check to see if your contest site has a website with pictures of spaces. It's good to know if you are going to be in a small classroom vs. band room.

Contest Day:

Have students check their bags for scripts/costumes while taking role.

Put someone in charge of checking for stage boxes, technology, etc.

Make a camp in the gym where students can find ballots/check out paper/etc.

Ballots: Districts=1 State=3

Remind students to support teammates as well as watch other performances (see attached)

Scores will be posted in a common area. Ballots will be available when all scores have been posted for your school. Can't wait? Bring an self addressed/stamped envelope to leave.

Check out sheet/ballots in a central location (I have bright folder I put mine in)
