IHSSA: USE OF AI POLICY *(October 2023)*

Generative Artificial Intelligence: At IHSSA sanctioned tournaments, generative artificial intelligence should not be cited as a source; while something like ChatGPT may be used to guide students to articles, ideas, and sources. The original source of any quoted or paraphrased evidence must be available if requested. Students are prohibited from quoting or paraphrasing text directly from generative AI sources like ChatGPT in events in which speeches must be the original created work of a competitor. *(from NSDA)* Students are prohibited from utilizing generative artificial intelligence during competition. Violation of AI guidelines may result in disqualification from competition.
